💗💚 matsapphouse cross-posting playbook

One handle everywhere: **matsapphouse**. Make one master file per piece (9:16 vertical + 16:9 + square art), then repurpose. Always label AI use — rules change, so re-check each site's upload toggle. Times are JST.

YouTube

Format: Long: 3–8 min music videos/explainers, 16:9 1080p. Shorts: 15–60 s vertical 9:16.

AI disclosure: Turn on “Altered or synthetic content” in Studio for realistic AI visuals/voices. Add “AI-assisted” in description.

Best times: JP 18:00–21:00 JST · Global 07:00–10:00 JST (US evening)

> Pink & green vibes, AI-assisted creation. 日本語OK!
> #matsapphouse #AIart #Shorts

TikTok

Format: 9:16 vertical, 15–45 s, hook in first 2 s, trending/original audio.

AI disclosure: Must toggle “AI-generated content” label in post settings; TikTok may auto-label via C2PA.

Best times: JP 19:00–22:00 JST · Global 08:00–11:00 JST

Weekly schedule

Day	Main post	Cross-posts
Mon	YouTube Short + TikTok + Reels (same clip)	Threads/X teaser
Tue	itch.io update / Newgrounds	Pinterest 3 pins
Wed	Instagram carousel + Facebook	Bluesky + X art post
Thu	DeviantArt + pixiv art drop	TikTok clip
Fri	Song: SoundCloud (+ distributor release day)	X/Threads/Bluesky link posts
Sat	YouTube long video (music video/explainer)	pixiv weekend post + Pinterest
Sun	Rest / reply to comments	Plan next week; repost best-of Story

Workflow tip: post on the biggest platform first, then cross-post within 24 h with platform-native captions (no watermarks from other apps — Instagram/YouTube downrank TikTok-watermarked clips).
